IUKA'S Heritage Festival

BACK TO OUR ROOTS

Our Iuka Heritage Festival began in 1987 as a one day event. Iuka has a diverse heritage including Indian heritage, Civil War Battle of Iuka, a railroad town, and our world famous Mineral Springs. In the years since our beginning, the Festival has evolved into a weekend event celebrated over Labor Day Weekend. It is the highlight of our "end of summer" celebrations. We are host to thousands of visitors who come to celebrate with us. Our annual event takes place in Mineral Springs Park, Jay Bird Park and other places around our beautiful city.
